

Strengthening inclusive public policies to improve the social inclusion of the most vulnerable in Mexico

Project ID 2210425021

Mexico is one of the most unequal countries in Latin America and this has been aggravated by the COVID-19 pandemic as Mexico is one of the most affected countries. Adding to the Inclusive Policy Lab, the UNESCO Office in Mexico will support local authorities in improving social inclusive public policies to improve the well-being of people, particularly the most vulnerable through the strengthening of capacities and awareness raising.
