Supporting Member States in the Promotion of the Underwater Cultural Heritage and supporting Museums to Increase their Roles for Sustainable Development in Central Asia

Project ID 2210524031

This intervention will focus on two directions - one activity will aim to raise awareness and promote the ratification of the 2001 Convention in Central Asia ensuring underwater cultural heritage is identified and understood by CA Member States. The activity will include the elaboration and conduct a brief gap analysis in support of the ratification of the 2001 Convention in selected countries - Kazakhstan, Kyrgyzstan and Uzbekistan. Another activity is continuation of capacity building intervention started in 2021. The focus of the sub-regional interventions will be specifically on engaging museum professionals and staff to enhancing their knowledge and skills in museum management and strengthening educational and communicational role.
